

REMARKS

Claim Objections

Examiners objections have been made moot by the corrections to the Claims which have been made in the manner suggested by Examiner. Claim 9 has been cancelled. The outstanding claims are 1-8 and 10 and 11. Examiner cited no prior art against the claims and Applicant is aware of no prior art disclosing or suggesting the invention as currently claimed

Conclusion

For the above reasons Applicant submits that Claims 1-6 should be allowable and respectfully requests they be allowed and that the application be allowed to issue as a patent.

Respectfully submitted,

John R. Ross
